

MEET+ 100

4K AI Auto Focus Camera

4K30 | AI AUTO FOCUS | 80°FOV | Privacy Protection

For desktop video conferencing and live streaming

Meet+ 100 is a high-quality 4K auto focus webcam. Only one USB (Type-C) cable is used to enable power, control and video. Thanks to being equipped with advanced image processing solution and sensor, it presents realistic color, sharp and smooth image.

Meet+ 100 is developed with Telycam's own-developing focusing algorithm, to make the focus unrivalled fast and accurate. Built-in top-rated quality microphone, it can pick up the voice crystal clearly.

Meet+ 100 is the ideal for desktop video conferencing and live streaming.

Application

Key features

◆ 4K sharp image and AI Auto Focus

Adopt the most advanced 4K image processing solution, Sony 1/2.8" 12MP UHD CMOS sensor, and high-quality 80° diagonal view angle optical glass lens to output 4K30 UHD and 1080p60 FHD image. Support AI Auto Focus technology to enable focus at very short distance fast and accurate.

◆ 3X Digital Zoom

Thanks to its true 4K lens, this zoom camera support max 3X digital zoom with crystal video quality. (2x at 1080P and 3x at 720P)

◆ Portrait Video Display

Multiple video resolutions are supported, both in landscape and portrait mode, can meet your flexible application.

◆ Flexible USB&C Connection

Plug and Play, easy to use, the webcam box package include both 1.5meter USB type A cable and Type C connector.

◆ Black Light Compensation

This webcam also support black light compensation, to output always bright and clear image even under low light background

◆ Security and Privacy Protection

Silicon lens cover help to prevent online hackers from spying on you, and keep the lens clean when the camera not in use.

Specification

Camera	Meet+ 100
Part Number	TLC-100-U2-4K
Sensor	1/2.8 inch,12MP UHD CMOS sensor
Lens	Iris: F1.8; View Angle: 80°(Diagonal), 65°(Horizontal) Object Distance: 10cm~infinity
Zoom	1080P supports 2X digital zoom, 720P supports 3X digital zoom
EPTZ	Support
Output Interface	USB(Type-c)
Video Format USB(Type-c)	YUY2: 1280*720@10; 1024*576@20; 640*480@30 MJPEG: Landscape video: 3840*2160@30; 2560*1440@30; 1920*1080@30;1280*720@30; 1024*576@30; 640*480@30; Portrait video: 1080*1920@30;720*1280@30;576*1024@30; 360*480@30
Eocus	AI Auto Focus
Image Parameters	
White Balance	Auto/Manual
Exposure	Auto/Manual
Flicker	50HZ/60HZ/OFF
2D、3D Noise Reduction	Support
WDR	Support
Backlight Compensation	Support
Mirror, Flip	Support
Microphone Pointing	Omnidirectional microphone
Sensitivity	-26±2dB RL=2.2KΩ Vs=2.0V
S/N Ratio	64dB

General	
Polar Distance	3~5m
Input Voltage	USB power supply
Working Environment	Temperature: -10°C~50°C; Humidity: ≤80%
Webcam Size	76mm×φ48mm
Package Size	114.5mm×87mm×85mm
Net Weight	0.13kg
Gross Weight	0.3kg
Available Color	Dark gray, Silver
Accessories	1.5m USB2.0(A-C) cable, Manual, Warranty card
