CORPORATE OVERVIEW

Journey of excellence at Challenge Systems, Inc. – Where Innovation Meets Integration!

Established in 2003, Challenge Systems, Inc. embarked on a journey as a visionary systems integrator in the burgeoning digital content market. Over the years, we have evolved into a dynamic force, redefining standards and pushing the boundaries of innovation in the Architecture, Engineering, Construction (AEC), Media & Entertainment (M&E), and Information Technology (IT) industries.

Inception and Growth:

Our story began with a commitment to pioneering solutions that empower businesses in the AEC and M&E sectors. From the outset, Challenge Systems, Inc. focused on delivering cutting-edge technologies, including Media Asset Management, Business Management Systems, Network Monitoring, Video Switchers, Virtual Reality & Augmented Reality Solutions in the Broadcasting, and Architecture, Engineering, & Construction (AEC) industry. Our dedication to excellence quickly earned us the trust of major corporations in the Philippines, such as GMA Network, Signal TV, TV5, ABS-CBN, Optima Digital, Central Digital Lab, and many others among the Top 1,000 corporations.

Market Expansion:

Building upon our success, Challenge Systems, Inc. carved a niche as a market leader with a proven record of growing and expanding the market for value-added products and solutions in the AEC and M&E Industry. Our commitment to delivering high-quality services and solutions became a cornerstone of our success.

Diversification into the IT Industry:

Responding to the evolving needs of the digital landscape, we strategically expanded our offerings into the IT Industry. Challenge Systems, Inc. now provides a comprehensive suite of solutions, including IT Business Applications, IT Monitoring Tools, Data Protection, Disaster and Recovery, IT Security, Datacenter Infrastructure, and Professional Services such as Managed Services, Structured Cabling, and Document Management System.

Clientele:

Our journey has been marked by collaborations with some of the most esteemed organizations, solidifying our position as a trusted partner in digital transformation. We take pride in serving not only the AEC and M&E industries but also making significant strides in the IT sector.

Commitment to Excellence:

At Challenge Systems, Inc., our commitment to excellence is unwavering. We continually invest in research, development, and training to stay at the forefront of technological advancements. Our team of experts is dedicated to providing innovative solutions that empower our clients to thrive in the ever-evolving digital landscape.
